

Dear Exhibitor,

Welcome to the 2024 Global Energy Show Canada Exhibition and Conference! In the spirit of reconciliation, we acknowledge that we live, work, and play on the traditional territories of the Blackfoot Confederacy (Siksika, Kainai, Piikani), the Tsuut'ina, the Iyârhe Nakoda Nations, the Métis Nation (Region 3), and all people who make their homes in the Treaty 7 region of Southern Alberta

On behalf of dmg events, our team is proud that energy professionals such as yourself have gathered to exhibit here at North America's leading energy event, The Global Energy Show Canada Exhibition and Conference as the first event in the new BMO Centre expansion!

The Global Energy Show is the largest B2B exhibition and conference engaging with industry buyers and sellers, stakeholders and partners, CEOs and young professionals together to share knowledge and fuel innovation in the ever-changing energy landscape.

Our shows would not be successful without exhibitors such as yourself. Thank you for your continued support!

The online Exhibitor Zone has been created to help organize and assist all your needs for the 2024 show with various tools and information that is being updated constantly.

Please ensure the person responsible for the coordination of your stand is given access to the Exhibitor Zone and are fully informed and paying particular attention to the deadlines for each category listed below:

The online exhibitor zone and tools are not designed to replace our personal service. If you require help or assistance at any time, please feel free to contact a member of our operations team:
